# JARVIS FIRE UPDATE

CEDAR CITY, UTAH –The Jarvis fire is threatening communication towers, high voltage power lines and critical desert habitat in Washington County, Utah. Sunday, there were “red flag” warnings for wind which demonstrated extreme fire behavior with a substantial increase in acreage.

There are no structures threatened at the present time and no date of containment.

The fire is burning on the Division of Forestry, Fire and State Lands, and Bureau of Land Management administered lands.

A Type II Fire Management Team will take over this fire sometime today.
